Sea-Breeze Astringent or Toner

Moisturizer (oil-free)

Orange “Puff” for powder

Medical/Surgical Adhesive Tape (3M-Transpore)

For The face

Dermablend (For Beard Cover)

Loose Translucent Powder

Revlon Colorstay Liquid Foundation

Concealer (optional)

For the Brows:

Flat, angled brow brush

Brown Eyeshadow (IN MATTE FINISH!)

Eyeshadow

*Brown (matte) *MUST HAVE

*Bisque (eggshell, light beige, or equivalent) in MATTE *MUST HAVE

*Pink or Salmon (shimmer or matte) *MUST HAVE

Black (matte), Plum, Dark Green, Dark Blue, and any other color you like! There is no such thing as too many eyeshadows, but if you get a huge palette with dozens of colors, most likely they will be of very poor quality. The expensive ones are pricey for a reason: because they are better. Shop wisely.

Lashes:

Mascara: I prefer L'Oreal Voluminous in Black, not waterproof!

Any human-hair false lashes you like (I like them long!)

"DUO" Lash Adhesive (I prefer "clear" not black)

False Lash "Applicator" (optional)

Eyeliners

CAKE eyeliner in black (comes in a little "pot.")

Can also use regular liquid eyeliner, but it's a pain.

Gel Liner is great, I love MAC but it's not cheap.

Eyeliners pencils in Black (and any other color you like).

Contour Powders and Blush:

Wet 'N' Wild Bronzer (darkest shade!)

Any powder blush you like (hot pink is a NO.)

Any CREAM blush you like!

Lips:

Lipliner Pencils in Red, Maroon, Rose (or equivalent), and Coffee (or equivalent).

Lipsticks (any colors you like here!) but should have at least one Red, Pink, and Coffee.

Lip Shimmer (this is a very light colored, extremely 'frosty' lipstick that you dab only

as a highlight on the bottom lip.

Super-shiny lip gloss (to go on top of lipstick) Yummy!
